**Building An Individualized Speaking Programme To Meet Your Specific Grade Needs.**

### **Grade Groupings:**

My presentations are written to increase awareness around why we need social inclusion, educate students to embrace all people who are different, and inspire them to use kind thoughts and actions wherever they are in society.

There are 3 designated grade groupings you can choose from; 1) Grade One to Four, 2) Grade Four to Six, and 3) Grade Six to Seven. Here are the 3 ways you can book a presentation for your school:

- 1) One individual classroom.
- 2) A group of specific grades at your school. (*I.e. All Grade 2 Classes.*)
- 3) All classes which are designated within a grade grouping.

### **Presentation Costs & Expenses:**

You only pay for what you ask for - Each presentation is \$200.00 plus G.S.T.

- If you want one presentation delivered to one grade group, the cost is \$200.00 plus \$10.00 G.S.T.
- If you want presentations delivered to two designated grade groupings, the cost is \$400.00 plus \$20.00 G.S.T.
- If you want presentations delivered to three designated grade groupings, sometime over the course of a school day or week, the cost is \$600.00 plus \$30.00 G.S.T.

**35 Minutes Zoom Presentation.**

**For Students In Grade 1 To 4.**

**The purpose of this presentation is to teach. Children to stop them from judging one another by skin colour, dress, size, shape, race, culture, gender, etc. Instead teach and inspire each student to see one another from the in-side-out, by asking questions to understand their personalities, interest, abilities, and differences.**

### **Be A Friend, Throw The Perfect Pass.**
